

# Bryan's Jr. Architect Club

Within this club members will work on problem solving skills, critical thinking, improving eye coordination, memory skills and build their self-esteem! Overall, members will have fun learning and working as a team solving and building their creations!!!!!!

**Club meets Friday @ 4:00 p.m. in  
the Education Center.**

See Bryan in the Education Center for more info!

**BOYS & GIRLS CLUBS  
OF LA HABRA**
