

BOYS & GIRLS CLUBS  
OF LA HABRA

# The Positive Impact Report

## 2016 Summer Movie Express

This past summer our members had the opportunity to visit Regal Theater each week to watch free movies. Our club was selected by Boys & Girls Clubs of America as a recipient of the 2016 Summer Movie Express grant sponsored by Regal Entertainment Group. Our members looked forward to going to the movies each week to watch their favorite movies on the big screen.

## National Night Out

The Club had a booth at this year's National Night Out. National Night Out is an event designed to strengthen our community by encouraging citizens to engage in stronger relationships with each other and with their local law enforcement. La Habra's Police Department had their

K9 & SWAT display. Overall there was plenty of family fun activities to participate in that evening.

## September 2016

### This Month in History:

- First Labor Day celebrated as a legal public holiday was on September 3, 1894.
- California became the 31st state September 9, 1850.
- U.S. President John F. Kennedy signed a congressional act that established the Peace Corps on September 22, 1961.

Movie Express	1
National Night Out	1
Gap Backpack Campaign	2
Backpack Challenge	2
Corn Festival	3
Back to School Night	3
Day for Kids	4

## Gap Backpack Campaign

The Gap Backpack Campaign returned just in time for Back to School. July 18th-24th, customers were given the opportunity to donate a backpack and in return customers would receive a discount off their next purchase. In 2015, Gap raised over \$1M in a week during this promotion and over 5,000 backpacks were donated to local Boys & Girls Clubs. The Boys & Girls Clubs of La Habra would like to thank Gap

and Gap Kids in the Brea Mall for collecting backpacks for our club members. These backpacks will definitely help our members start the school year off right!

## Taco Bell Backpack Challenge

On August 3, 2016 I was fortunate to be able to go to Taco Bell Headquarters. I was accompanied by Lynnzee and Tanya as we were given a tour of the beautiful building. We were shown the kitchen, different elevators, a school for children, and much more. By the end of our tour, the surprises didn't stop. Unknowingly, the three of us were a part of the Taco Bell Backpack Challenge. We were all given backpacks that had beautiful supplies that were generously given by Taco Bell employees that were assigned to us. All in all, we had fun and we can't say enough Thank yous to Taco Bell.

-Kylie G., age 14

## 68th Annual La Habra Host Lions Club Corn Festival

Each year our Club participates in the Annual La Habra Host Lions Club Corn Festival. Most of our Keystone members and Alumni members participate by working the booth every year. Our Keystone members had no trouble selling their amazing tostadas that customers loved. Also, the Alumni booth helped raised money as well by selling carne asada tacos and yummy quesadillas. Everybody was busy by putting all of their hard work into their part of the event. This year our Keystone teens will be raising funds to attend the 50<sup>th</sup> Annual Keystone Conference in Chicago, Illinois in March 2017. In addition to our booth, our Torch Club members walked the parade. Members showed their Dr. Seuss spirit and won 3rd place. This was a great year and we are looking forward to next year's Corn Festival. -Dessire D., age 14

## La Habra & Sonora High School Back to School Night

This year six of our Keystone members were at both La Habra's and Sonora's Back to School Night. Keystone teens wanted to reach out to their classmates and introduce them to The Club and let them know all the great programs and opportunities there are for teens. The teens walked around handing out flyers and explaining what it is they do. When people stopped by our booth they were entered in a raffle to win a free membership. Thank you La Habra and Sonora for opening your doors to us and letting us explain our club to your parents and students. -Noemi R., age 16

# Announcements
