WORLD WIDE DAY OF PLAY

On Friday September 29th we held our annual event in collaboration with Nickelodeon to encourage children across the country to be active and enjoy playing outside. We had DJ-style music and various activities for all members. Activities included Hungry-Hungry Hippos, water balloon toss, tug-o-war, spin art and face painting. Over 100 members received a free snow cone.

A big thank you to our **Keystone Club** and **La Habra High School Interact Club**, they assisted with setup and conducting activities.

JR MILLER & ASSOCIATES

The architectural firm sponsored a field trip to Camelot Golf for twelve of our members who participated in the miniature golf project. The JR Miller & Associates (JRMA) team created a six week curriculum and met with our teens every Monday in the Parks Lab. The curriculum included topics of architectural building design, structural engineering, and construction management.

SIERRA VISTA ASES WATER DAY

Sierra Vista ASES members beating the heat! Members made posters to promote their water day and parents donated the water cannons. This was a fantastic day for our members!

Thank you Mr. Edgar, our custodian, who supplied water and hoses.

CAMPOS TEEN CENTER

Club Teens have created a secondhand clothing closet which will provide a space for club members to donate their gently to moderately worn clothing, as well as shop other donated items for free. This will encourage Teens to express themselves through style as well as create sustainable shopping behaviors.

PACIFIC YOUTH OF THE YEAR EVENT

On September 14, 2023, Ofelia Hanson, Executive Director and Michele Lawson, Associate Executive Director attended the Pacific Youth of the Year event with former National Youth of the Year Carlos Romo
