YOUTH OF THE YEAR

The Club celebrated their outstanding members on Friday, January 26th at the La Habra Community Center. It was a well attended event with over 200 members, parents, guests and Club staff. Thirty eight of our members received awards they earned during the past year. It was a "Dress to Impress" event, and our members looked great! Congratulations to our award recipients.

AFTER SCHOOL SITE PACK MINIMUM SCHOOL DAYS WITH ENGAGING ACTIVITIES

Sierra Vista site kicked off the week with engaging themed activities. Our younger students, TK to 2nd grade, delved into the world of animals. The older group, 3rd to 6th graders, explored outer space through exciting science and art experiments focused on the solar system. Students were given the chance to vote for their preferred activity theme, allowing for youth voice, input, and excitement.

El Portal site members enjoyed a thrilling STEM activity - the floating ball challenge. Armed with just paper, a bendy straw, scissors, and tape, they put the Bernoulli Principle to the test. The goal? Make a ping-pong ball levitate in mid-air. The students had a blast experimenting and learning through hands-on exploration.

GREAT FUTURES START HERE.
