## GIVING THANKS FEASTS

Our annual Thanksgiving feast was a great success. At our main site we served over 100 members: chicken nuggets, mashed potatoes, mac n' cheese and a dinner roll. Members reflected on what they were thankful for and wrote it down on a leaf. All the leaves were displayed on our giving thanks tree. A huge thank you goes out to Keystone & Interact teens as well as NCL Volunteers.

Our school sites organized a Friends-giving event that also included feasts. Members celebrated by giving thanks and enjoying good food. They also had fun completing all the enrichment relating to thanksgiving and the month of November.

## BASKETBALL LEAGUE

Our Fall basketball league started on November 14th and has been a great success. Over the past few weeks, the gym has been filled with family, friends, and teachers supporting our members. In total we have 10 teams with nearly 100 participants. Our volunteer coaches have been amazing in really stressing the fundamentals of the game, teamwork, good sportsmanship, and having fun. Much more important than a win or a loss, is the steady improvement of the players, and week to week we can definitely see it.

## KEYSTONE

Member, Alyssa Sandoval, and Teen Coordinator, Marissa Gayton attended the kick-off National Keystone Conference steering committee meeting in Atlanta, GA. Alyssa had the opportunity to meet Jim Clark, President of BGCA.

## STUDENT OF THE MONTH

Mia Zarate, 5th grade member was named youth of the month for Walnut ASES. She has worked very hard to be successful in school. She sought support from staff to help her complete assignments in a timely manner. Her positive actions have paid off. Congratulations Mia!
