THE BIG SIX

On October 26th, the La Habra Boys & Girls Club hosted the "BIG 6" event. Nearly 100 teens attended from seven Orange County Clubs. All teens had the opportunity to participate in learning experiences in the Parks Lab. They used their imagination to design and create their own custom items like; shirts, hats, and stickers. The La Habra Host Lions Club donated their time and efforts and cooked dinner for everyone. Chili cheeseburgers and chili cheese fires were a hit! We had a great OC Club social with music, food, ice cream, games and a raffle. Everyone had a great time.

KEYSTONE

Keystone had many opportunities to get out in the community this month! They sold tostadas at the Corn Festival, led crafts at the Washington Middle School Fall Festival and conducted games and handed out candy at the La Habra City Open House! The Keystone members continue to gain confidence interacting with fellow community members and are creating solid bonds with each other while showing up for their community!

3D PRINTER BADGE

Parks Lab experience extended to one of our ASES middle school site. WMS student Arian deserves a special recognition for his dedication and hard work of becoming the first student to earn certification for operating the 3D printer. He has put in countless hours of hard work to earn his badge.

AFTERSCHOOL SITE VALUES

Throughout October, we were committed to promoting bully prevention and fostering positive relationships between classmates. Our ASES members shared the value of kindness and friendship.

HALLOWEEN CARNIVAL

We held our annual Halloween Carnival on Monday October 30th. There were over 100 members who participated in the festivities. We had 9 carnival style games, face painting, costume contest, a jumper, food and of course a plethora of candy and baked goods! Everyone had a great time!
